for Tomorrow's World

Foreword

Education is a bridge—a bridge which spans the time from yesterday to today; a bridge without which everyone would fall into the abyss of illiteracy; a bridge without which progress would be impossible; a bridge which shall always be changing and never be finished; a bridge which is built upon the achievements of all the men who have gone before us. This bridge, whose destination is a finer world for all who live in it, is as yet incomplete. We hope our ideas and achievements will help to bring all mankind closer to the better world of tomorrow . . .

Dedication

It is with great pride that we, the Class of 1960, dedicate our Unaliyi to Mr. William D. F. Coyle.

In his Family Living classes he helps to mold many of our future lives with his firm, cheerful outlook on life.

On the football field, he always worked to develop spirit and sportsmanship as well as ability in our teams.

Among the faculty, he is widely respected and liked, serving as president of the Souderton Education Association.

In school and out, we have all benefited from his deep and sincere interest in us and our problems.

Therefore, we are dedicating this book to Mr. Coyle as our way of expressing gratitude for his many years of service to our school. We hope it may be a small compensation for all that he has done.

MR. WILLIAM D. F. COYLE

School Boards

The consolidation that brought about the Souderton Area Joint School System has brought new educational opportunities to every student of that system. However, it has also brought new problems to the administration. These problems are ably handled by this group of men representing all five districts.

To the men who give so much of their time and energy to make our school possible, we give many thanks.

Unaliyi 1960

Focusing its efforts toward producing a yearbook which would portray the "new" Souderton Area Joint High School, the yearbook staff chose "Modern Education for Tomorrow's World" as the theme for *Unaliyi 1960*. With this theme in the background, the wheels of progress began turning steadily to reach our goal.

First of all we chose our editor, Jo Ann Hope, and the various staffs required to compile the yearbook. Under the guidance of the faculty advisors, Miss Weinert and Miss Gerhart, we then set to work on our *Unaliyi*.

The literary staff searched through volumes and volumes in order to find appropriate quotations for

section headings of the book. The photographic staff and a professional photographer shot many carefully, cleverly planned pictures. Articles were assigned, written, and rewritten. And by Christmas time the first sixteen pages were ready to be given to the publisher. In January the business staff took the limelight by conducting a sales campaign, launched by the dedication announcement and skit.

On this the twentieth anniversary of the founding of the *Unaliyi* the members of *Unaliyi 1960's* staff sincerely hope that our product will show twenty years of progress in modern education, as well as four years of pleasant memories.

Student Council

The purpose of Student Council—linking the faculty and student body while striving for policies in the best interests of the students—has been well-fulfilled by this year's excellent organization.

Composed of delegates elected from each home room, Student Council was capably headed by Jack

Gruenberg. Some of the successful projects undertaken by this year's Student Council have been monitoring the halls to relieve congestion and promote free passage of traffic and sponsoring the bundle drive and intramural tournaments, both basketball and volleyball.

ARROWHEAD EDITORS
B. Fretz and C. Moyer.

Where would the school be without the Arrowhead? Where else would everyone be able to read full accounts of many sports events, concerts, and assembly programs, and all of the unusual and amusing incidents that make school life interesting?

Upon the shoulders of the editors, Beverly Fretz and Carolyn Moyer, and the faculty advisor, Mr. Price, rests the responsibility for turning out each week an informative, lively newspaper. In this work, they are ably assisted by talented junior and sophomore members of the staff.

Band

This year, as in years past, the band has upheld its fine reputation as a precise, well-balanced organization. Much of the credit for this excellent record should go to Mr. Foulke, who not only arranges all of the football routines, but also arouses in the band members the enthusiasm to do a good job.

All through football season the band worked hard at its marching routines and did much to create an abundant amount of school spirit. At the close of the season, football music was laid aside as the band prepared for the lovely Christmas Concert. In May the band, with the chorus, gave the Spring Concert featuring marches of all kinds. With this event another wonderful musical season ended.

Colorguard

A great deal of credit should go to this organization for the fine job they did this year. This group of girls could be seen marching in front of the band at all the football games. Under Captain Elaine Soeder the Colorguard certainly deserves commendation.

Majorettes

Leading the band down the field, and performing at all football games in all kinds of weather, the majorettes are an important organization in our school. Under captain Bonnie Rahn and faculty advisor, Mrs. Ger-ringer, they have turned in a commendable performance this year.

Captain—Bonnie Rahn

Cheerleaders

Even before school opened, these lively girls were hard at work practicing cheers, preparing skits, and painting the signs. Thanks in a large part to the

unceasing efforts of the cheerleaders, our school was invaded and filled by school spirit as it never was before. Congratulations for a really fine job!

Kneeling, left to right: B. Meyers, L. Linder, L. Moyer, S. Fenstermacher. Standing: C. Spacek, B. Schnable, S. Palmer, H. Wissbrun, S. Moyer.

Chorus

Wonderful! The best ever! These were the terms heard describing the Senior Chorus. This year the Chorus was composed of both talented boys and girls selected by the director, Miss Nase. The result

of this fine selection and long hours of practice was the powerful blend of voices heard at the Candle-light Service and the Spring Concert.

Usherettes

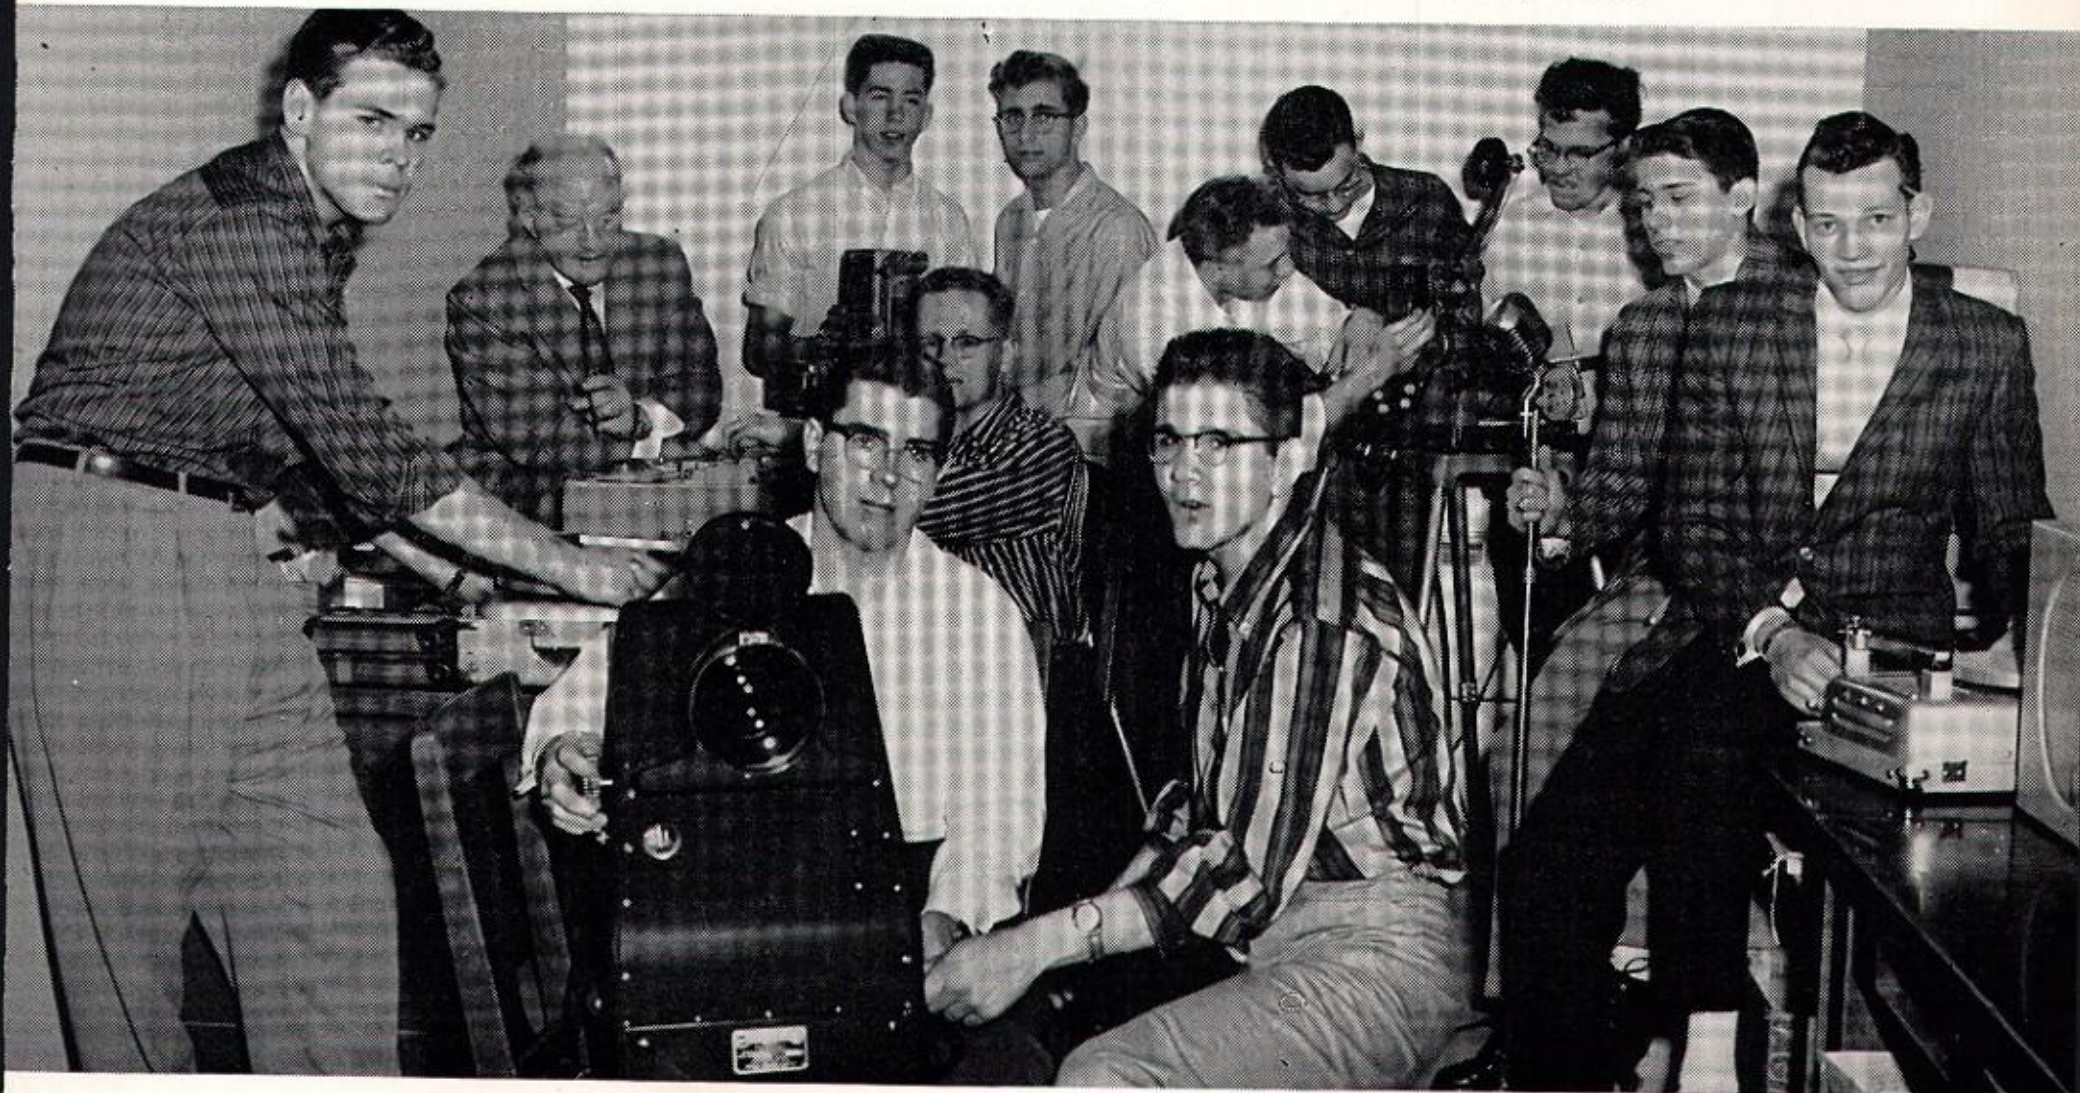

Prettily in evidence, and always with a courteous smile and a helping hand are the usherettes. Under the faculty direction of Mr. Gazdick, these junior girls serve at many school events such as concerts

and commencement. Ushering or directing, the usherettes always give visitors a fine impression of our school.

Audio-Visual Club

The Audio-Visual Club, under the able direction of Mr. Miller, functions as one of the most important student organizations in our school. They are not only called on many occasions to show films and slides for the teachers, but also to show many films in assemblies. The Audio-Visual Club is also at work when there are important functions in the school such as concerts, guest speakers, plays and many other activities. They then run all sound equipment, adjust the lights and help take care of much of the back stage work. We are deeply grateful for all their help.

Honor Society

Organized for the purposes of encouraging scholarship, promoting worthy leadership, stimulating desire to serve, and developing character, the Souderton Chapter of the National Honor Society is a relatively new organization in our school.

Members of the Society are chosen from among the members of the senior class on the basis of their records in high school, service to the school and community, leadership, and general character. Those chosen can be proud, for it is indeed an honor to belong.

F. T. A.

Newly organized this year, the Future Teachers of America proved to be a very active club. This club, under the supervision of Mr. Bold, elected the following officers: President—Harold Carver, Vice-President—Ed Gotwals, Secretary-Treasurer—Carolyn Moyer, and Corresponding Secretary—Judy Musselman.

The club members acted as substitute teachers when necessary, gaining experience for the future. They also attended various conventions and meetings held at the different schools.

Senior Play

Finders Creepers, 1960's senior play, under the direction of Mr. Robert T. Roberts, tickled its way into the hearts of the Souderton audience with little difficulty. Madly revolving around the antics of visiting cousin Hercules and his pal, Wilbur,—two pocket

sized versions of the atomic bomb—*Finders Creepers* set an hilarious pace which sent waves of hysteria over a tear-injected audience. Complete with ghosts, murders, and romance, this was a play never to be forgotten.

"Sherlock, I saw long teeth and shaggy hair."

"Oh Daphne, won't you marry me?"

"Ahhhh! another body!"

"Wow! I mean hi!"

"Granny, what are you doing under there?"

"Daphne! What a woman!"

"Ahhh! This is it, Wilbur, so long old pal, old chap."

"Ahhh! Dr. Brown has a gun."

EMMA JEAN CLEWS

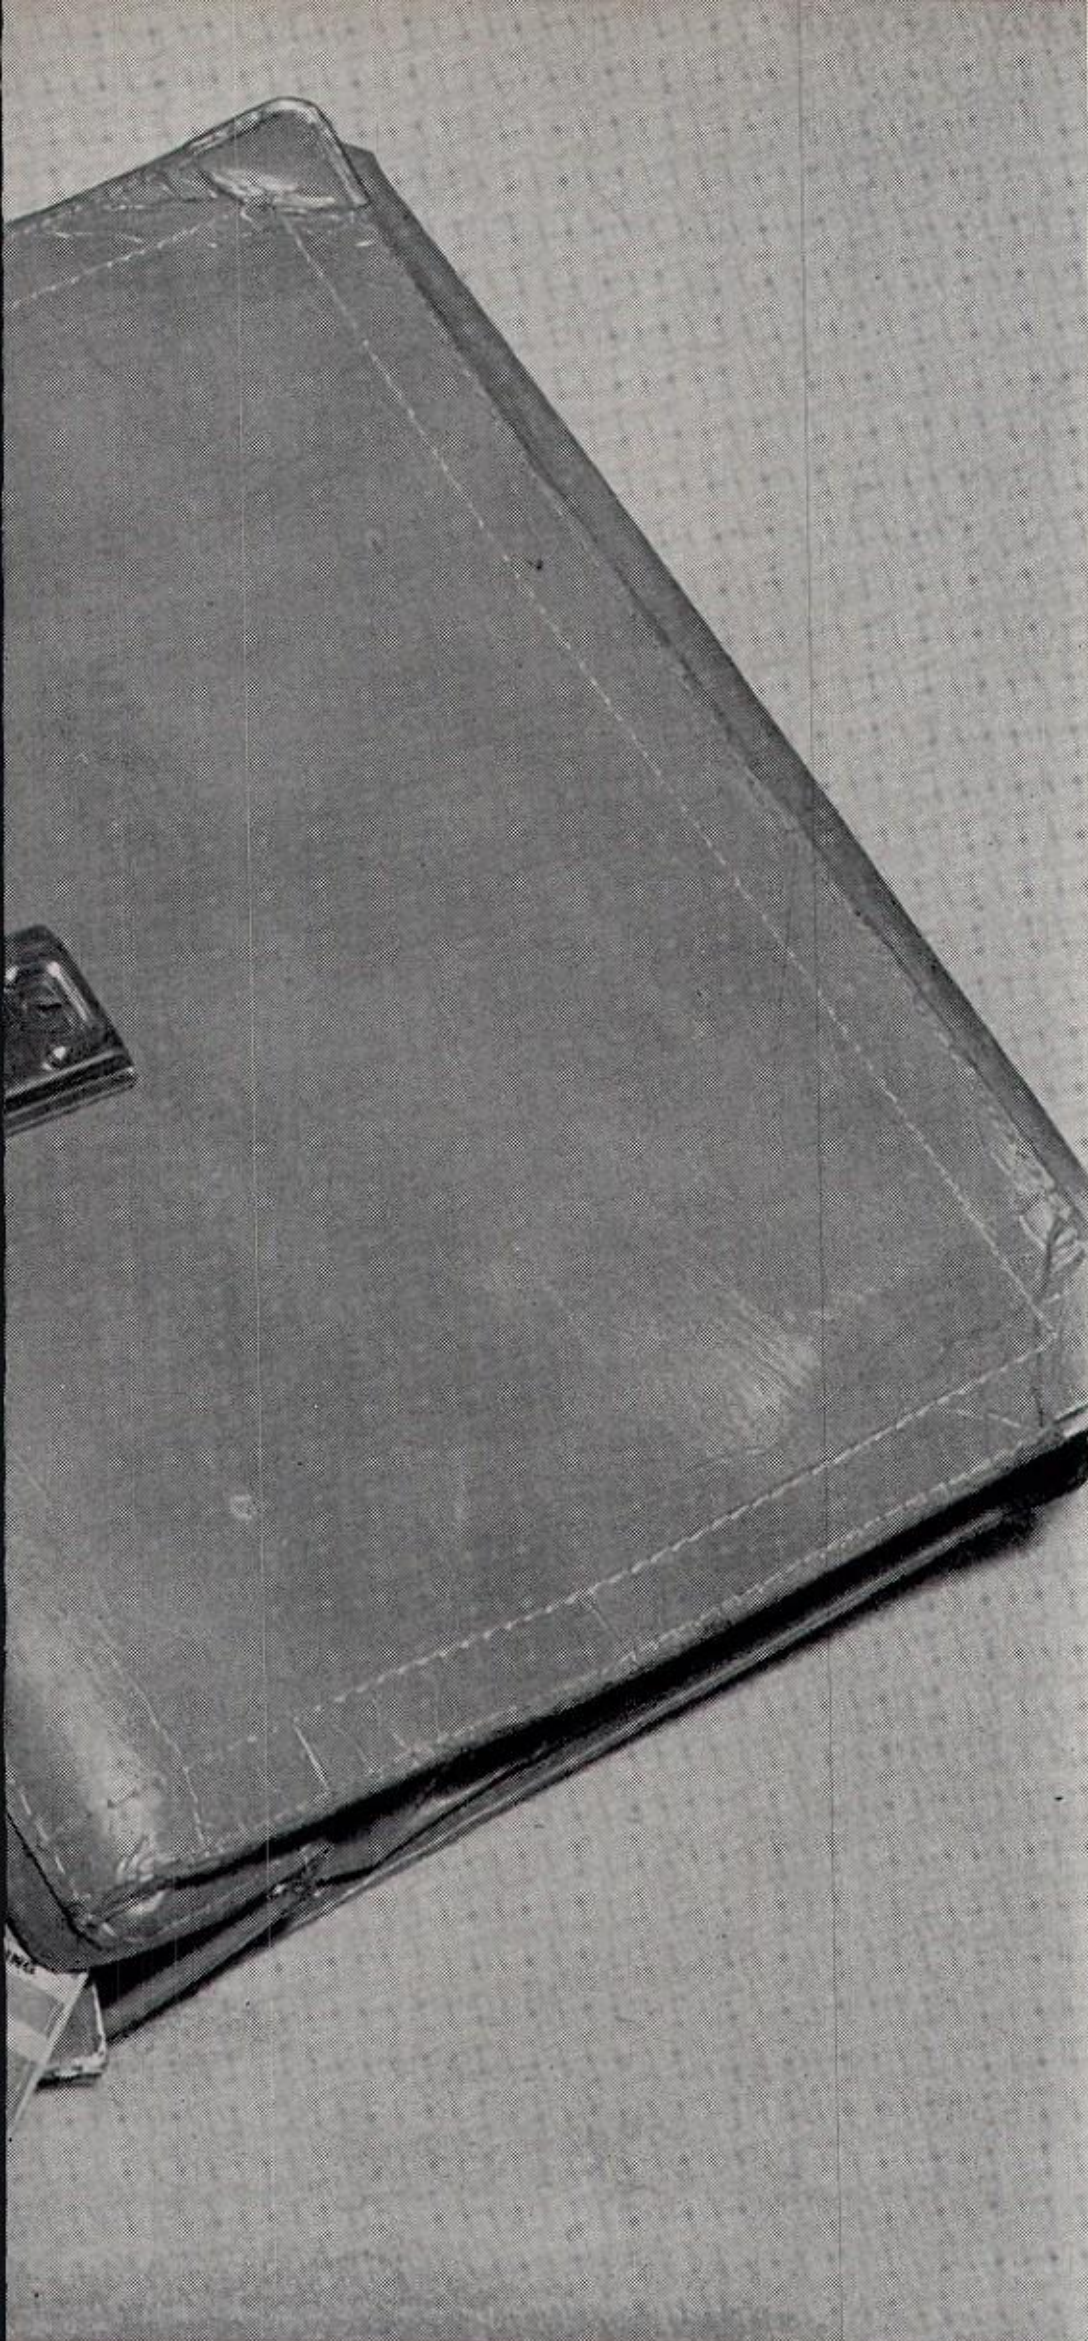

In Memoriam

Many faces pass through the corridors of time; some we remember while others pass away into nothingness. Emma Jean Clews walked through the halls of Souderton High for a brief three years; however, neither her smiling face nor her kind disposition will ever be forgotten by the classmates who knew her and loved her. A disease resembling spinal meningitis took Emma's life unexpectedly the day after she was admitted to the hospital.

Coming to Souderton in eighth grade from Girardsville, Pennsylvania, Emma joined the Christ Lutheran Church and sang in the choir; she maintained a "B" average at school. Bookkeeping was her favorite subject. Letter-writing was her hobby.

The daughter of Mr. and Mrs. Russell Clews of Naceville, Emma left two sisters and a multitude of friends.

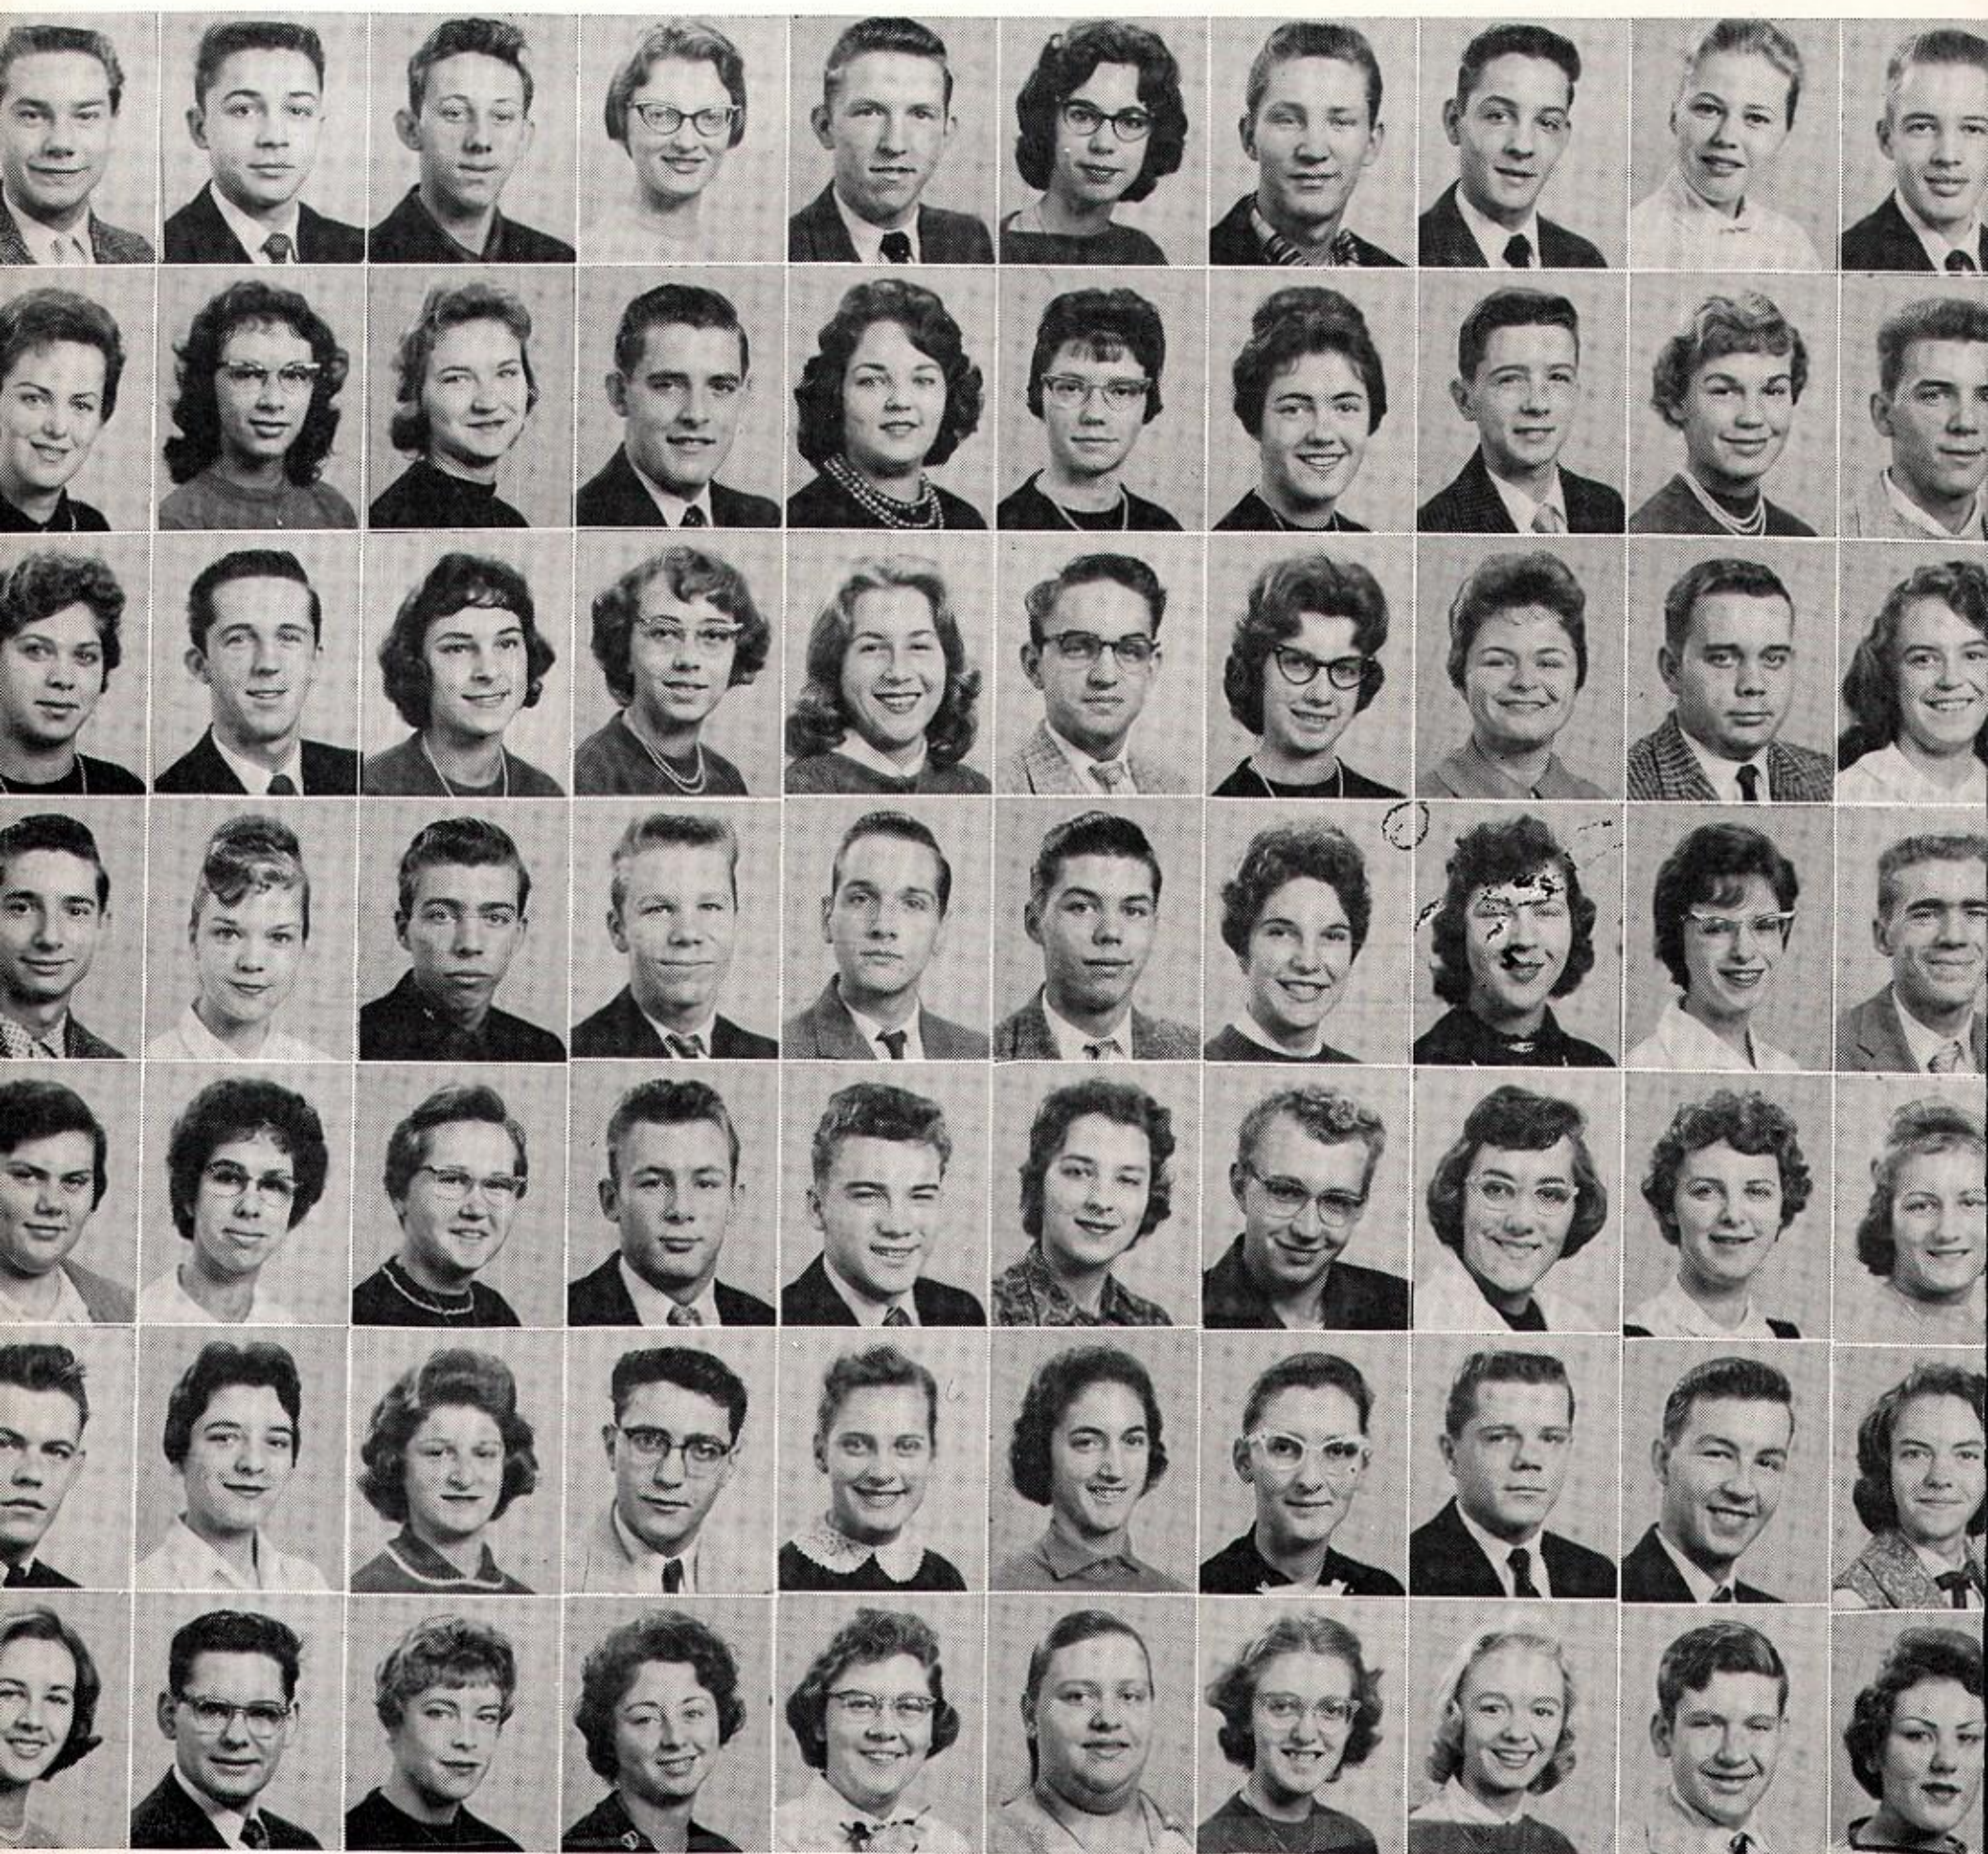

With deep respect we place our 1960 Unaliyi in memoriam to Emma Jean Clews.

Junior High Choruses

Under the direction of Miss Nase, the two junior choruses and the verse choir have displayed their fine voices at both the Christmas and Spring Concerts. Comprised of students from seventh, eighth, and ninth grades, these choral groups give junior

high school students an opportunity to become accustomed to singing in parts. They are certainly a credit to the music department of Souderton Area Joint Junior-Senior High School.

Junior High Band

One of the best junior high organizations is the junior high band. Under the direction of Mr. Foulke, this group performed exceptionally well at both the Candlelight Service at Christmas and the Spring Concert in May. With these fine musicians moving

into the senior high band, much can be expected from this organization in the next few years. We dedicate this page to a fine group of junior high students.

Junior High Cheerleaders

These four little Indian maidens are small but mighty as they lead our junior high braves to victory at home or away. Their lively enthusiasm drives our young braves on to victory. Their fine leadership

inspires all the fans to raise their voices in exultant cheers. Hurrah! Hurrah! for the junior high cheerleaders!

SPORTS

Unaliyi

1960

The grand march of sports—from the thrills in football to the swish of a tennis racquet—paraded before us victoriously.

Senior High Football

Let's give a cheer to the Varsity! The Big Red of 1960 really deserves many cheers for their fine season and many victories. This year they moved from last to second place and lost only to Ambler, then only by one point. All their victories were hard fought, well fought, and deserving ones.

Much of the credit for success this year goes to Coach Meyers and his fine staff; however, such players as Scott Moyer and Lee Musselman, the team's most valuable players and All Bux-Mont first

team members, and Dave Ziegler and Bill White, Bux-Mont second team, deserve much credit. Of course, the entire squad from the first team to the subs are to be congratulated.

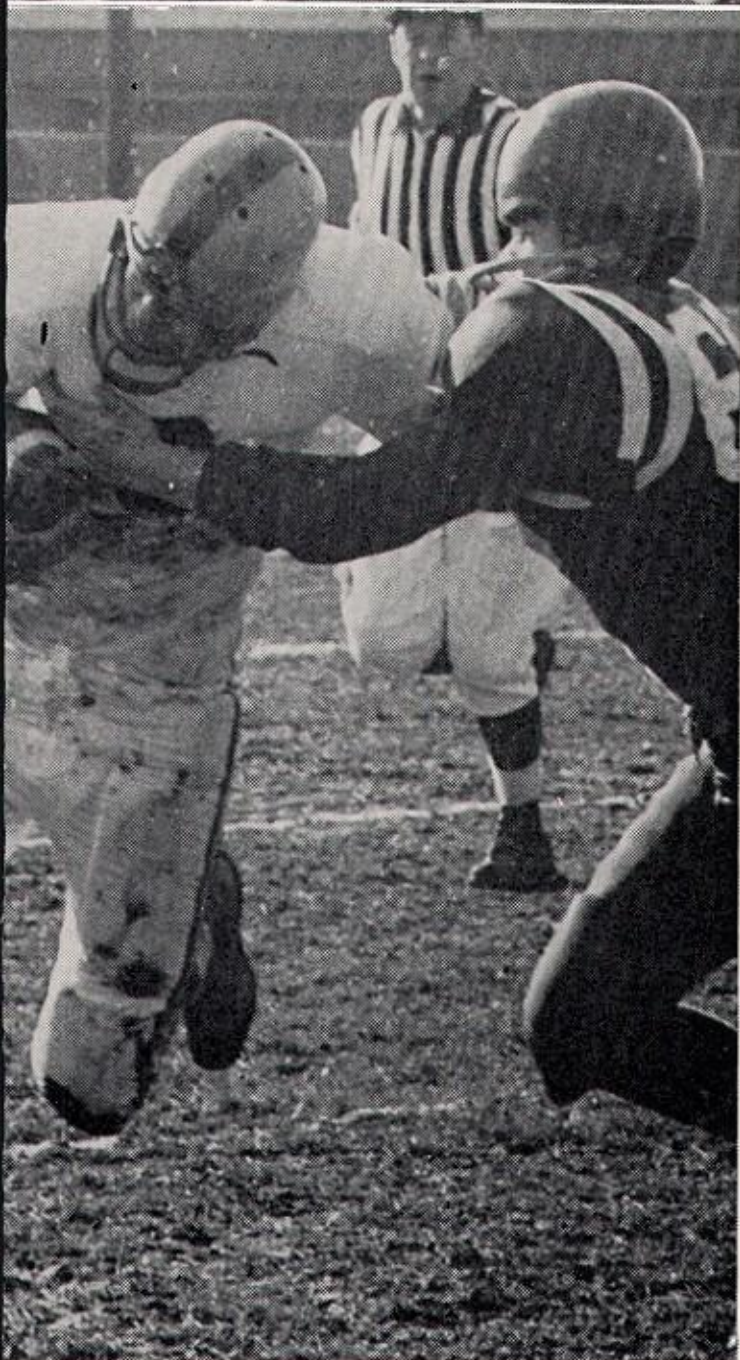

All in all this season was one of the greatest in S. H. S. history. We, the Class of '60, pay tribute to a great team, one that will never be forgotten for its clean, hard play and their will to win no matter what the circumstances!

Managers—Row 1, left to right—B. Rappold, G. Walton, B. Loux. Row 2—T. Swartley, L. Zepp, R. Frances.

Coaches, left to right—J. Meyers, W. Boorse, W. Coyle, W. Yeomans.

Boys' Basketball

As any first season under a new coach, this was a difficult season for the team.

After a slow start, the plays started to click, and the team improved game by game, until by the end of the season, they provided tough competition for

any team in the league.

Heartbreaking were the games lost in overtime by a tiny margin, but all through the season the team retained a true sense of sportsmanship, saying merely, "Wait until next year!"

CROSS COUNTRY TEAM

First row, left to right: J. Frederick, F. Hesse, F. Weil, G. Derstine, J. Fosbenner, P. Fretz. Second row: N. Hartzell, L. Kratz, J. Gegan, G. Nissley, W. Yoder. Third row: J. Culick, J. Musselman, D. Kolos, T. Snedaker, D. Yoder, H. Carver.

Cross Country

This year, for the first time, a cross-country team was started at Souderton High. Under the direction of one of our new faculty members, Mr. Gulick, the team came through with a fairly successful season. The team, consisting of fourteen players, ran only in Junior Varsity competition, mainly because of the

newness of the sport. Nevertheless, the team ran up a four out of six record. They also ran in the Bux-Mont cross-country in Junior Varsity competition capturing the following places:

1st, Glen Derstine; 2nd, Tom Snedaker; 3rd, Walton Yoder; 5th, Fred Weil; and 6th, Norman Hartzel.

Snedaker.

Wrestling

"Fall", "take-down", "weight-class"—these were the words added to the Souderton sporting vocabulary by the advent of a new sport—wrestling.

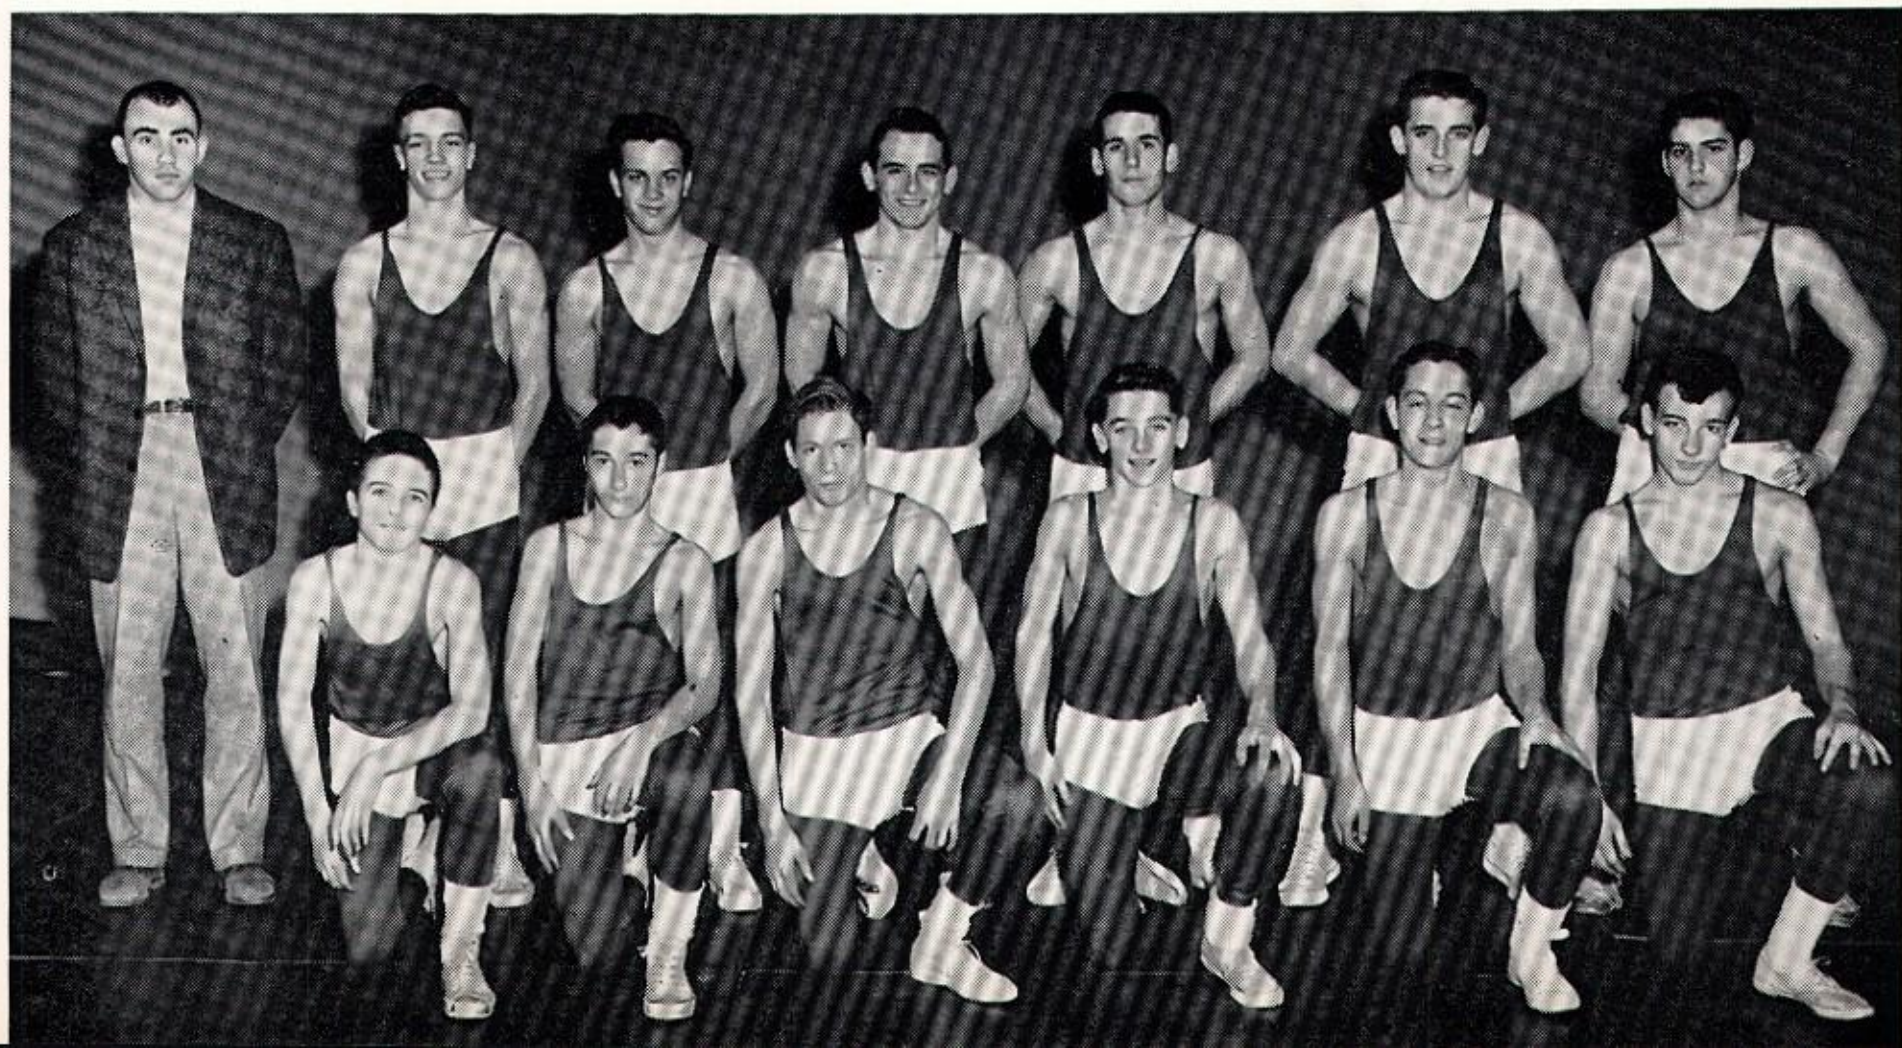

For a first year sport, the team, classified as a novice team, did remarkably well. Mr. Groff proved a fine coach as his team, after making a good record in matches, went on to win the Bux-Mont novice tournament.

With all of the team returning after a year of experience, prospects are bright for next year. In addition, wrestling clubs insure a steady stream of qualified candidates for the team.

Keeping these facts in mind, many fans feel that Souderton will be a real power next year in varsity competition.

Winter Track Team

The main purpose of this team was to keep in shape for the spring track team. However, coach Coyle took these team members to a meet held at Convention Hall. This particular meet was sponsored

by the Philadelphia Inquirer. As to the results, the boys failed to qualify in the first round by two-tenths of a second. Because of the fine efforts of this team, much was expected from the spring track team.

Track and Field

This group of boys represents one of the hardest working teams at S. H. S. This year the squad is one of the largest track and field teams in the history of our school. In the past the results of the meets have usually put Souderton on top.

Perhaps the 1960 season will have been even more

successful due to the additional training in the fall, winter, and spring.

Credit is due to Coach Coyle and this fine group of boys who make the name of Souderton shine with stars.

Baseball

There has long been a tradition at Souderton of fielding a good team on the diamond and of ending the season with a fine record in the books.

With enough lettermen and experienced players returning to provide the nucleus of a strong team,

this year should not be an exception. Capable sophomores and juniors will provide depth at many positions.

Under a new coach, Mr. Palmer, this team should provide plenty of excitement and cheering for their fans.

Hockey

With the sound of sticks whacking balls and the cries of spirited maidens pervading the autumn air, hockey season was officially begun. With the return of five lettermen—Phyllis Ruth, Nancy Rickert, Bonnie Bradford, Vicki Kratz, and Beverly Fretz, everyone was looking forward to a successful season.

However, fate had planned a different course for the enthusiastic squad. Even under the expert guidance of their coach, Miss White, the team won only two games. Nevertheless, energy never decreased, spirit never waned; and each game was played as an aggressive, exciting, and hard-fought battle.

Girls' Basketball

With a season's record of five wins and three losses, the girls' basketball team of 1960 long will be remembered as one of the hard-working units of S. H. S. The Indian maids began practice with the ambition of eager players and the experience of four returning lettermen, Phyllis Ruth, Carolyn

Moyer, Bonnie Rahn, and Loretta Swartley.

Miss Barbara Paul, beginning her first year as basketball coach, led her team through many diligent practices and spirited, hard-fought games. The players gained the experience, teamwork, and victories sufficient for a successful year.

Softball

After coming so close to the championship last year, the girls attacked this year's season with renewed determination. Long hours of practice under Coach White paid off as the team won the first four

games. With only two games left to play, hopes are high and the chances of winning and adding another championship to the excellent softball record seem very good.

Tennis

Our white-clad court maidens, under the watchful eyes of Mrs. Silverman, were out hitting tennis balls while many of us were struggling with acute cases of spring fever.

Although they had many drawbacks, such as the temporary absence of tennis courts, these girls

possessed a great deal of spirit and enthusiasm. Their new coach, too, contributed much of her time to the organization.

Since five players were returning seniors, experience was not lacking, and the girls did quite well.

Junior High Football

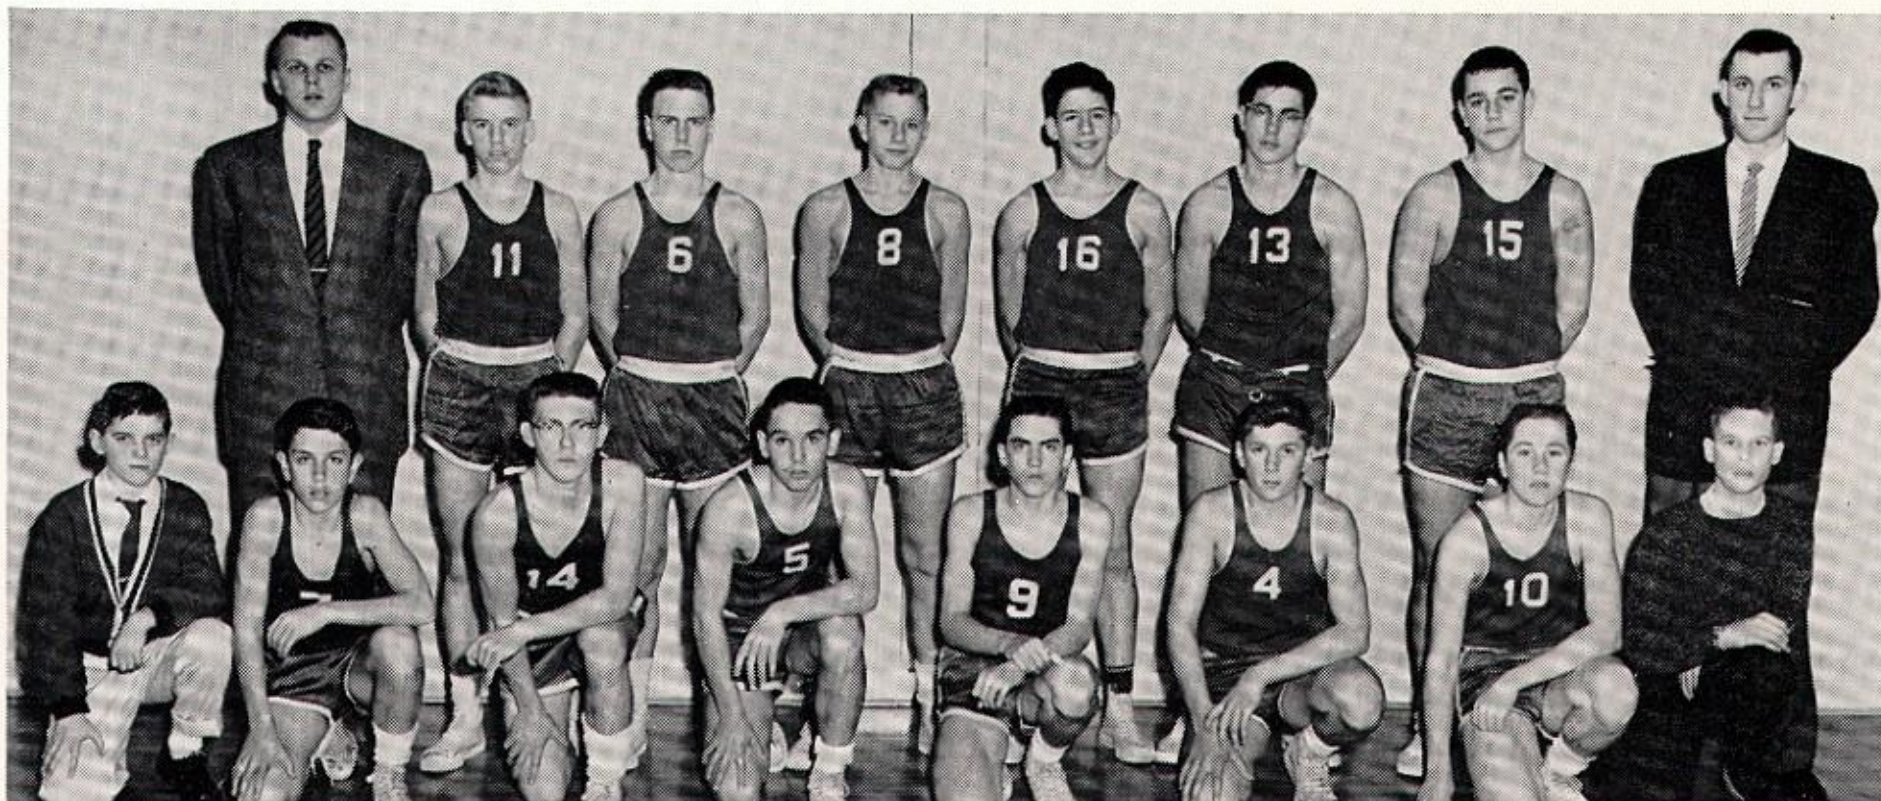

We dedicate this page to our junior high team and to the coaches who worked so long and hard. Even though our junior high team didn't win any

games this past season, they were always in there trying and fighting for the glory of Souderton High.

Junior High Basketball

At the beginning of this season there were over sixty boys who were trying out for this team. From this we can see that the true Indian spirit reigns in junior high as well as in senior high.

These boys were well-coached by Brooke Moyer and Larry Opdyke. Souderton can look to the future for a splendid senior high basketball team when these boys will play.

Junior High Baseball

Since this is one of the best-liked sports at Souderton, naturally the boys supported it as such.

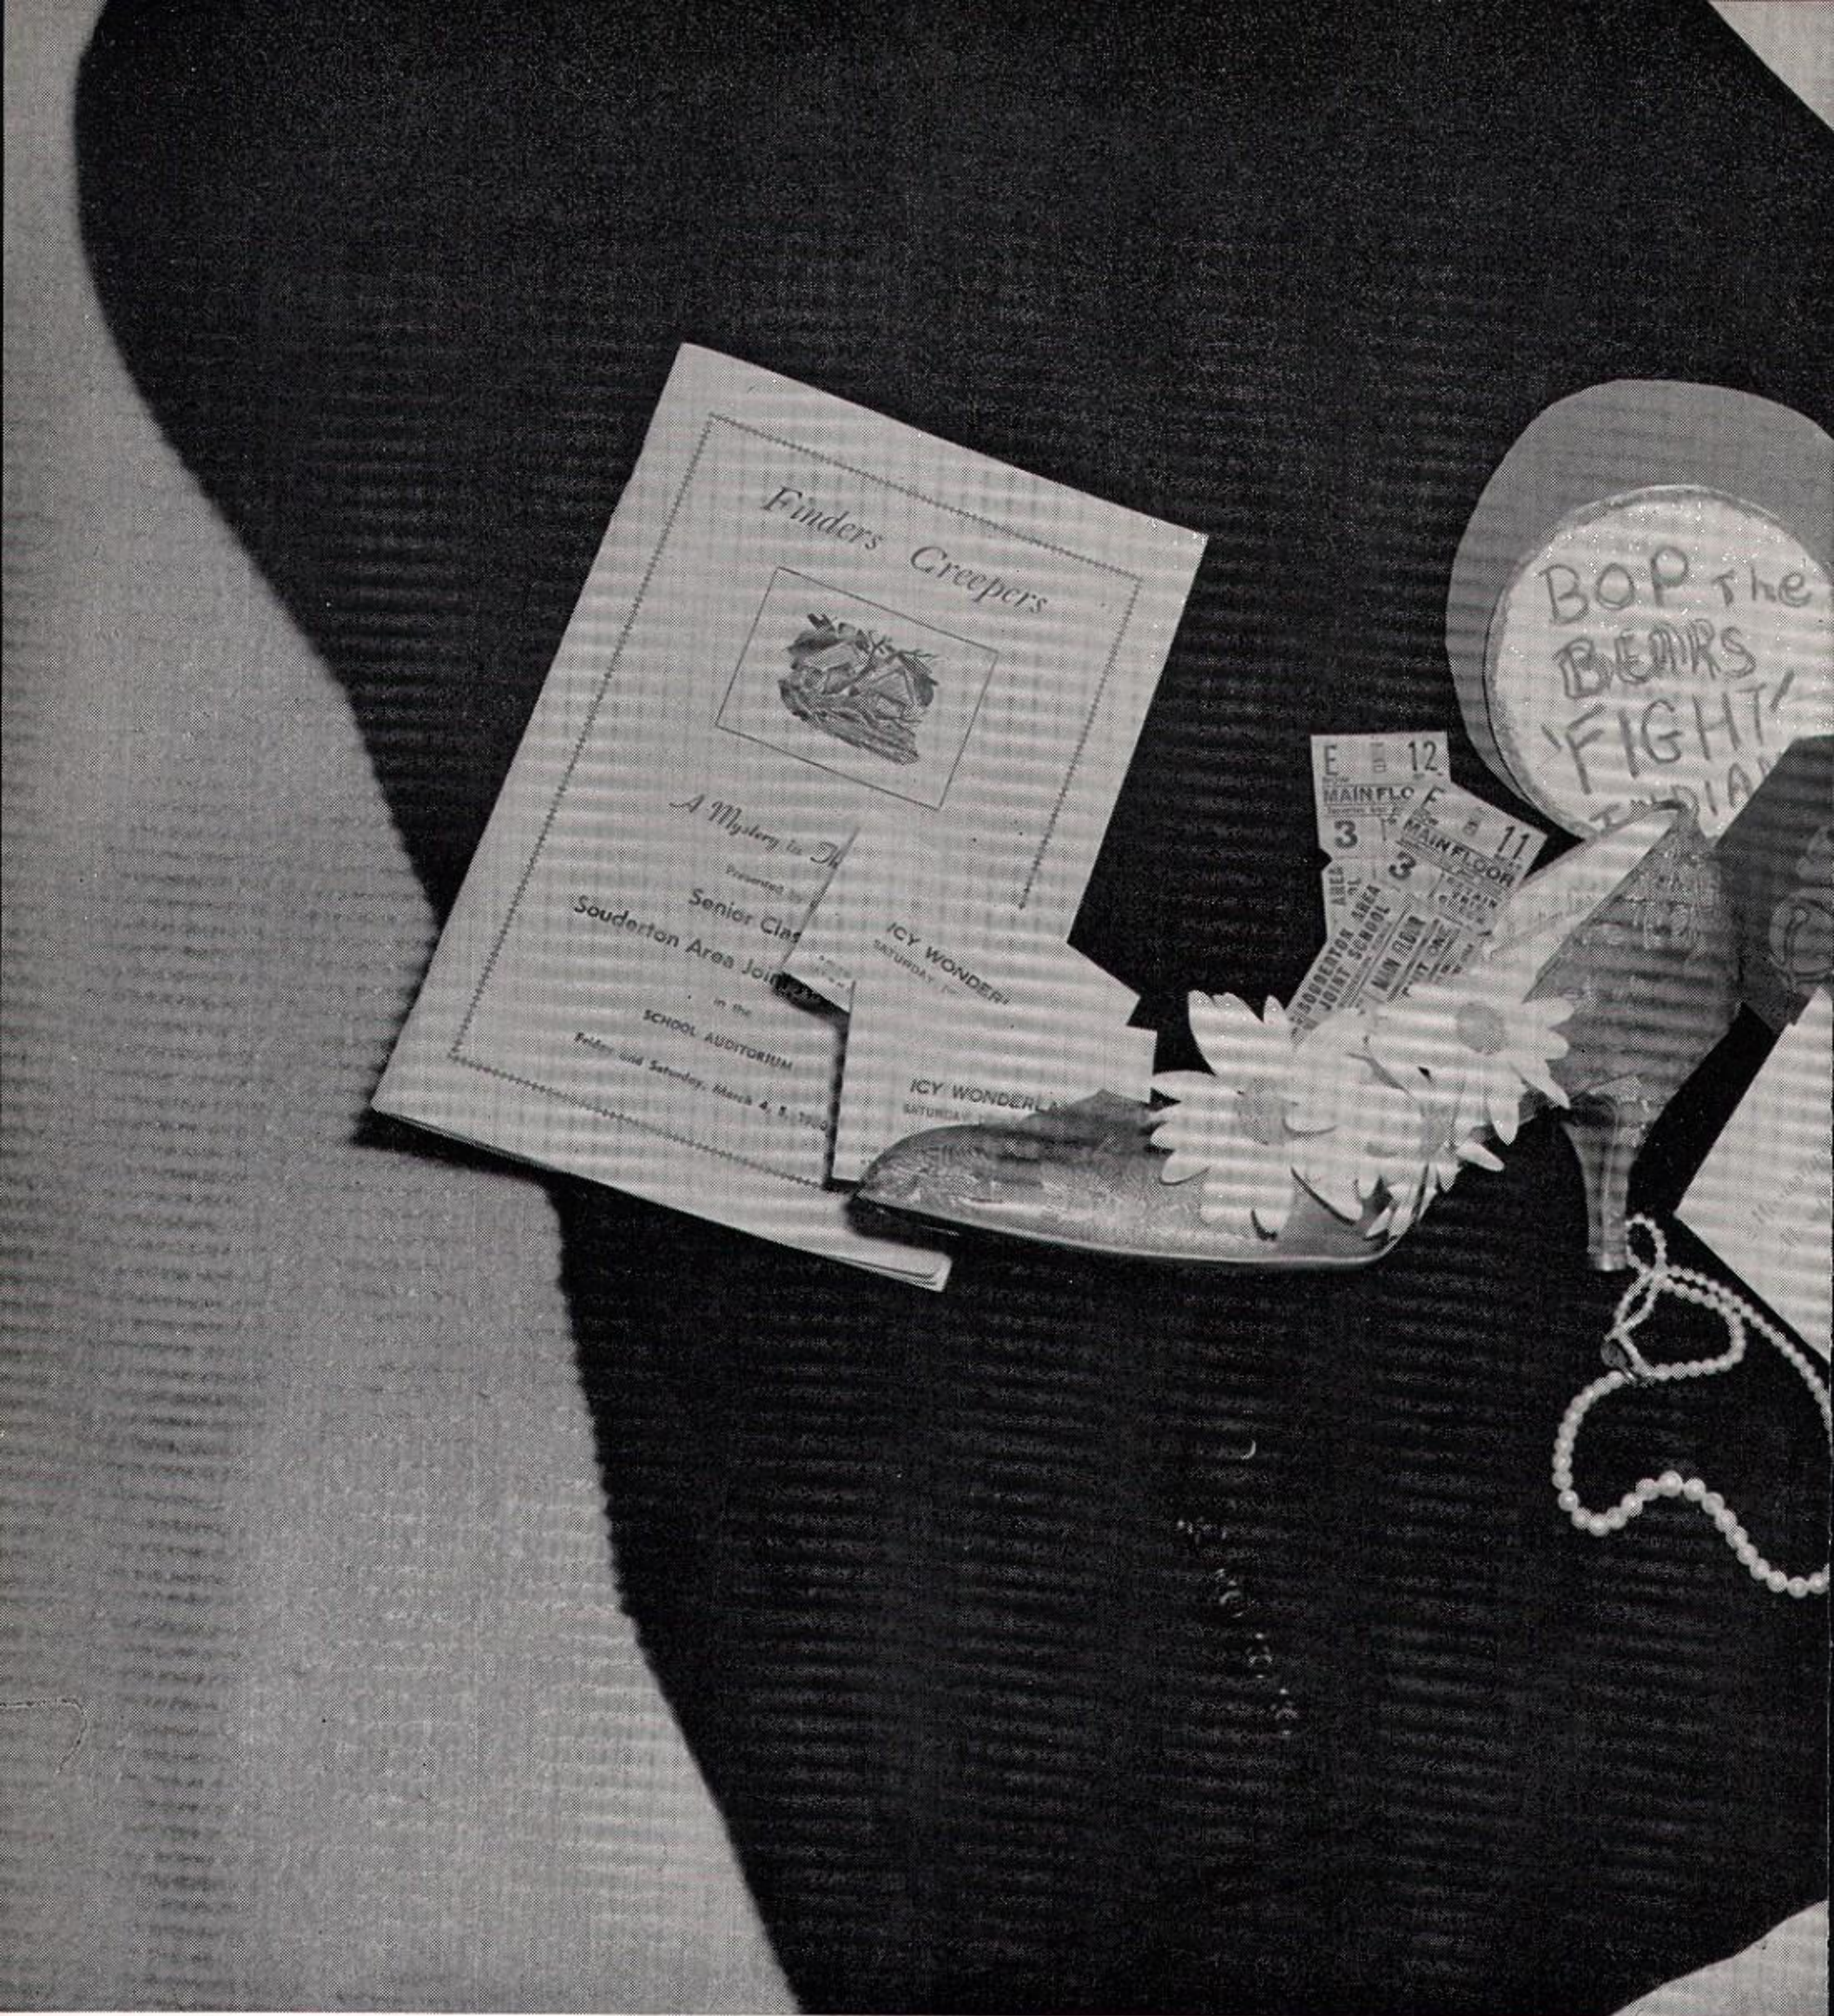

Under a new coach, Mr. Bagin, this team will shape

up into one of the better teams of their league.

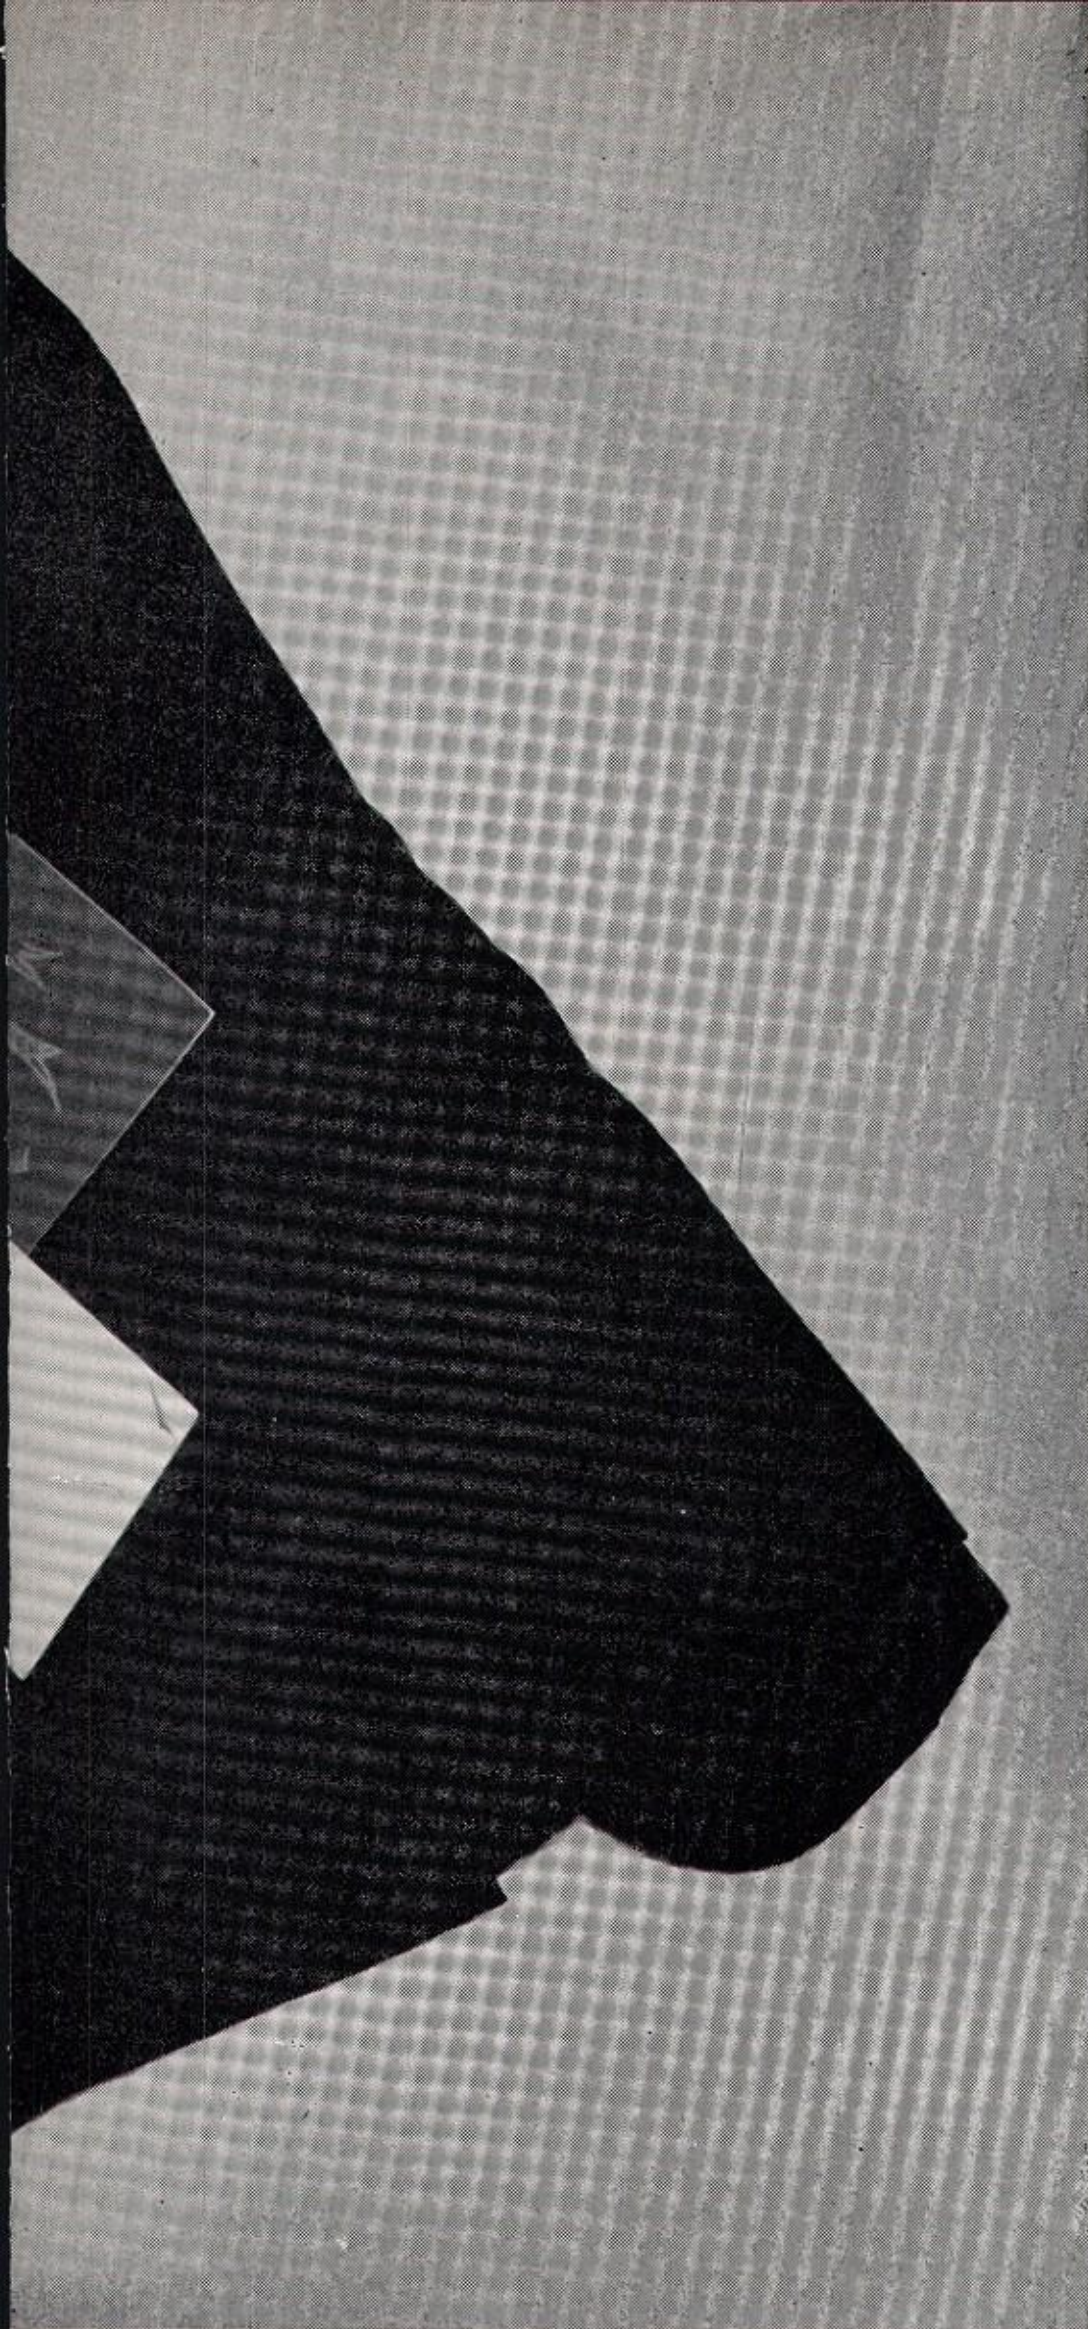

The seniors look to this team to keep up the good name Souderton has made for itself in baseball.

MEMORIES

Unaliyi

1960

Memories, golden memories, glow like fond gems, bidding us to
drift back in happiness o'er this bridge of time.

A look down one of the immense halls of the new school.

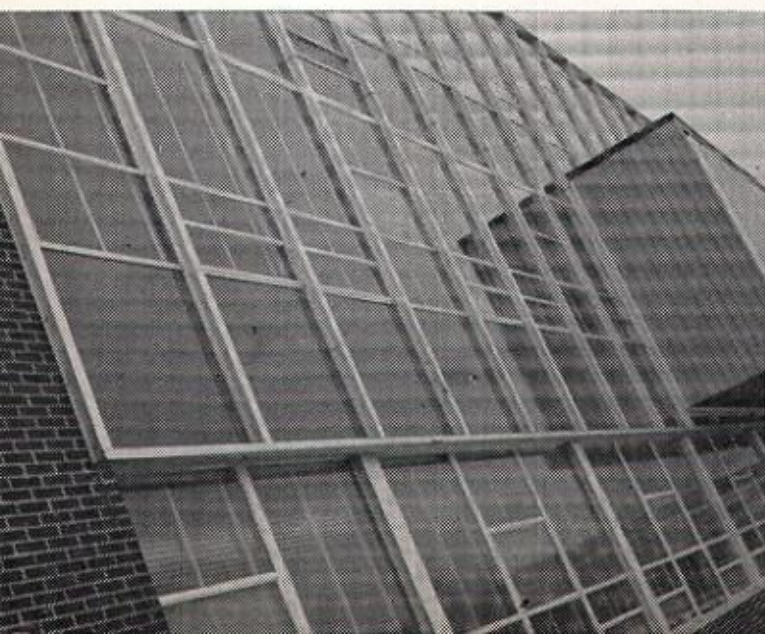

Memories

Memories, memories, memories. Who isn't the fortunate Senior who can remember the wonderful times our class has shared? Those who attended our Christmas Dance will never forget the realistic decorations of the North Pole, with penquins and walruses adorning the stage. And the lovely southern mansion with lavender wisteria impressed all at the Junior Senior-Prom. Junior day and the riotious all-night party will remain in our memories as the event which turned us into the big wheels of the school in the absence of the Seniors. No one can dispute the profitable planning of the hops and the Pie and Cake Sale we held.

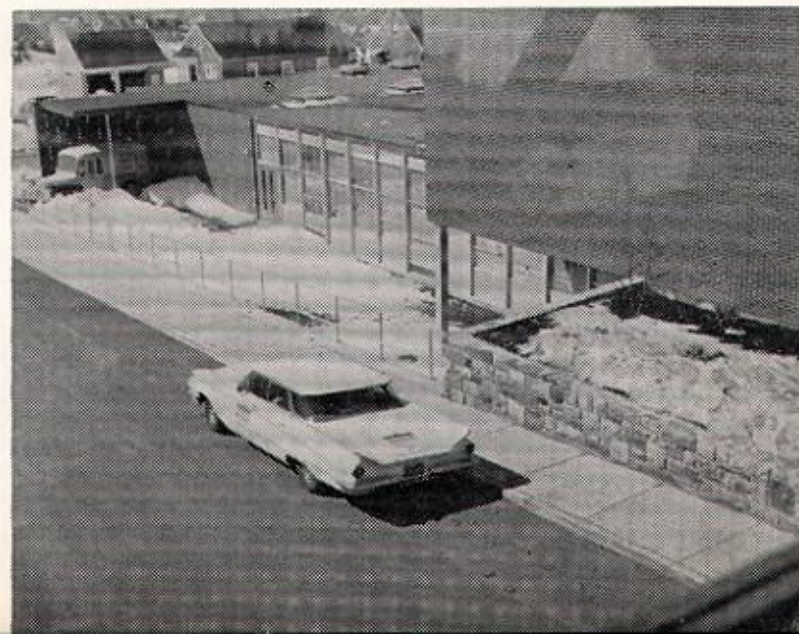

Then arrived the most wonderful year of all. We finally became Seniors, the most respected class in school. We all eagerly looked forward to the Washington trip and we were not disappointed. Everyone enjoyed the historic tours we made, even though we were glad for the rest periods.

Upon our return our thoughts all turned to graduation days. Eyes became moist when we recalled that this was our final year in high school. Soon we would be free in the world, to try and attain our goals. But our thoughts will ever return to those days that brought us so many wonderful memories. We'll have these moments to remember.
